I understand that the deposit (\$300) I am submitting is to reserve a puppy from the above planned litter and that the amount I am submitting will be applied to the purchase price of my ACD puppy. I understand that a deposit constitutes the intent to purchase a puppy, but not insurance that there will be a pup available for me from this litter. I understand that full refund of my deposit will be made under the following circumstances:

- In the event that my questionnaire and the references listed therein lead the breeder to decide that I am not a good candidate for an Australian Cattle Dog puppy from this litter.
- In the event that there is not a suitable puppy in the planned litter to meet my wants/needs (in this case, deposit can be refunded in full or carried over to next planned litter).

I understand that my position on the waiting list depends on: date of initial contact of the breeder along with date of questionnaire/deposit return to breeder. I have read the breeder's contract prior to submitting my deposit on a puppy from this litter.
